The guest of honour R. Ramachandran (BE, MCA) Faculty, Anna Institute of mgt, Former Professor IMTI Tiruchi , Former superintending Engineer , PWD deliberated on the topic “ [Role of Red Cross in Disaster Management](#).” His keynote address was designed in a way to motivate the students with real life examples and stories on knowledge , Skill , Attitude and Success. He also talked about Self Confidence, ‘Hard Skills’ ( Teachable abilities or skill sets that are easy to quantify ) and ‘Soft Skills’ ( also known as ‘People Skills’ or ‘Interpersonal Skills’). Through his video presentation , he conveyed the idea that "One extra degree makes all the difference" and that "One extra degree of effort in business and in life separates the Good from the Great". He asked the students to develop themselves as good volunteers of the Red Cross Movement and thereby contribute to world peace and disaster mitigation.
