

LIBRARY REPORT

College Library Overview

To inculcate the spirit of continuous learning among students and enhance knowledge, our campus is equipped with a massive library.

➤ Facilities :

1. Physical Space

Sree Ayyappa College Library building was opened in February 1995 by Sri. P.K. Narayana Panicker, former President, Nair Service Society.

It spreads over an area of 329.581 sq.m, housing an Internet resource centre.

2. Technology Infrastructure

High-speed Wi-Fi and computer stations are available for research and online access.

3. Quiet Zones

Designated quiet study areas for students who prefer a focused environment. Group study rooms equipped with audio-visual facilities for collaborative projects.

➤ Resources:

1. Book Collection:

- The library houses a vast collection of 24880 physical books covering various disciplines.
- Regular acquisitions and updates ensure relevance to current academic curricula.

2. Digital Resources:

- Extensive e-book collection accessible through the library's online portal **LIBSOFT**.
- Subscriptions to academic databases, journals, and research repositories.
- **N-List - INFLIBNET** – Our college has N-list membership. It is under e-Shodh Sidhu (UGC e-consortium). The staff and students can access **e-books** and **e-journals freely through this site**.
- **NDL - National Digital Library** - We have also membership with National Digital Library

3. Periodicals and Magazines:

- Subscriptions to leading magazines and periodicals catering to diverse interests.
- Current and archived issues available for research purposes.

4. Special Collections:

- Rare books, manuscripts, and special collections are preserved for historical and research purposes.

- Access to these collections is facilitated under controlled conditions.

➤ **Services:**

Library Events, Orientation classes, Awareness programmes are conducted.

➤ **User Support:**

1. Library Staff:

- Approachable and knowledgeable staff available to assist students during library hours.
- Library orientation sessions for new students to familiarize them with resources.

2. User Feedback Mechanism:

- Systematic feedback mechanisms to assess user satisfaction and improve services.
- Responsive to suggestions for enhancing the overall library experience.

OBJECTIVES:

- To acquire, organize and update the library collection to support teaching-learning process.
- Provide accessibility to information in a well – organized and coherent manner.
- To encourage students to read beyond the requirements of the curriculum.
- To work with faculty in integrating information skills, knowledge of information sources, and the use of technology in accessing information needed to strengthen their instruction, research and extension.
- To provide instruction and assistance in the effective use of learning E-resources / services.

VISION:

- To incorporate the latest technology
- To adopt user friendly approach
- To offer services towards dissemination of knowledge
- To become the model library in the district.

MISSION:

- To serve as an e-resource centre.
- To enhance the collection of books and journals.
