

ACTION TAKEN REPORT ON FEEDBACK

2022-23

STUDENTS

The feedback on institutional aspects from students consists of 20 questions based on syllabus, course, library and computer facility, grievance mechanism, extracurricular activities, teaching and nonteaching faculty. The students' responses were satisfactory, however, as per their suggestion a proposal for more number of computers was submitted to the management and it has been sanctioned.

PARENTS

The feedback from parents is also satisfying and they are quite happy with the ambience, results, hostel facilities, career orientation and overall development of their wards. Anyway, steps have been taken to impart quality education encouraging multidisciplinary and holistic approach in tune with the current trends in education.

ALUMNI

The alumni who left the portals of our institution have a good opinion about their alma mater. To make the association more active, the prominent alumni have given suggestions to conduct more get together and support the institution with welfare measures by arranging fund raising programmes. As per their suggestion, reunion meetings are being scheduled through virtual and offline mode.

EMPLOYER

The Employers shared very positive feedback on the academic performance and ambience of our institution. They have suggested conducting more career guidance and placement programmes in the coming years. As per the suggestion, the career guidance and placement cell of our college has been asked to take initiatives for arranging more placement drives and career guidance programmes for students.
