MEMORANDUM OF UNDERSTANDING (MoU)

Between

Institution's Innovation Council (IIC), Sree Ayyappa College for Women, Chunkankadai

And

ATAL Tinkering Lab, Our Lady of Miracles Bethany Matriculation School, Pallam,
Kanyakumari District

Preamble

This Memorandum of Understanding (MoU) is made and entered into on this 22 day of October, 2025, between:

Institution's Innovation Council (IIC), Sree Ayyappa College for Women, Chunkankadai, a higher educational institution committed to fostering innovation, entrepreneurship, and research culture among students, hereinafter referred to as "the First Party",

and

ATAL Tinkering Lab, Our Lady of Miracles Bethany Matriculation School, Pallam, Kanyakumari District, an innovation hub under the Atal Innovation Mission (AIM), NITI Aayog, Government of India, promoting creativity and experiential learning among school students, hereinafter referred to as "the Second Party".

Objective of the MoU

The objective of this MoU is to establish a collaborative framework between the First Party and the Second Party.

- Foster a spirit of innovation and scientific inquiry among students and teachers.
- Facilitate mutual learning, mentorship, and exposure to innovation ecosystems.
- Promote innovation-based activities, workshops, and outreach programs.
- Build a pipeline of young innovators through knowledge sharing between higher education and school-level innovation platforms.

Areas of Collaboration

The parties agree to collaborate in the following areas:

1. Innovation Awareness Programs – Conduct awareness sessions, talks, and demonstrations on innovation and entrepreneurship.
2. Mentorship Support – Provide guidance and mentorship from IIC faculty and student innovators to ATL students.
3. Workshops and Hands-on Training – Organize joint workshops, exhibitions, and prototype-building sessions.
4. Exchange Visits – Facilitate exposure visits for ATL students to the IIC and college innovation facilities.
5. Joint Competitions and Challenges – Encourage participation in innovation challenges, hackathons, and exhibitions.
6. Capacity Building – Share resources, knowledge, and best practices for effective innovation management.

Roles and Responsibilities

Institution's Innovation Council (IIC), Sree Ayyappa College for Women:

- Provide mentorship, technical support, and access to innovation experts.
- Facilitate training sessions and resource sharing for ATL teachers and students.
- Offer exposure to higher education innovation activities and startup ecosystems.

ATAL Tinkering Lab, Our Lady of Miracles Bethany School:

- Encourage student participation in IIC and college-led innovation initiatives.
- Provide ATL infrastructure for conducting workshops and demonstrations.
- Co-ordinate with teachers and students for joint innovation projects.

Duration and Review

This MoU shall remain in force for a period of three (3) years from the date of signing and may be renewed or modified by mutual consent of both parties.

Confidentiality

Both parties agree to maintain confidentiality regarding any proprietary or sensitive information shared during collaborative activities.

Termination

Either party may terminate this MoU by giving one month's written notice to the other party. However, ongoing projects shall continue until completion with mutual consent.

As there is no financial commitment between both the parties, the expenses incurred in organising the events should be borne by the respective parties.

Signatories

Signed on this 22 day of October, 2025, at Sree Ayyappa College for Women, Chunkankadai.
