

PROPOSAL & MOU

Training For Fashion designing

For

Sree Ayappa College for Women

To,
Dr. V.R Anjana (Principal),
Sree Ayappa College for Women,
Chunkankadai, Kanyakumari - Dt.

Date: 23.10.25

Dear Sir,
Greetings to you from Dream Tech.....!!

Thank you for the kind courtesy extended to us when we had called on you to discuss creative design skill training for the students of your esteemed institution. As per our discussion, we are pleased to submit our MOU for the same.

Dream tech has been providing training on creative design such as

- 2D & 3D Animation
- Video Editing & Vfx
- Web design & Development
- Beautician, Makeup Artist & Cosmetology
- Fashion Designing
- Aari & Embroidary Works
- Soft Skills & Communication
- Fashion Modeling
- Drone Technology
- Abroad Education & Placements

Our courses have been designed keeping in view the needs of industry and the certificate which is presented to the students on their successful completion of the course is recognized globally.

Today industry demands not only good academic qualifications but also employable work force. This unique creative design program will help bridge the skill gap between college and industry. Students while doing their academic program in the college, could add skills that will lead to better application of knowledge and assist them to get suitably placed in leading organizations.

The Deam Tech courses will be conducted by our technically qualified trainers at your Institution's premises. Your students get to acquire skills in the comfort of their classrooms leading to tremendous saving on time and other resources.

The courses will be conducted by our **Dream Tech Training Services, Nagercoil Centre**. We look forward to the privilege of associating with **Sree Ayappa College for Women**.

With Best Regards,

Sherin T.M
(Centre Head)

Process of Association

Dream Tech and Sree Ayappa College for Women will sign a Memorandum of Understanding (MOU). Dream Tech Centre instructors will offer training on Creative Studies to your students in the college premises itself.

Benefits to your Students:

- Saves on travel time
- Saves on accessibility and proximity problems
- Saves cost
- Value Addition

Benefits to your College:

- Formalize association with your University by means of "Certificate of Association"
- Permission to Institution to use Dream Tech name and logo strategically
- We will feature this association in our website.

Dream Tech will Provide:

- Technically qualified Instructors to train your students.
- Industry Specific Course Curriculum
- Course Completion Certificate to the successful students.

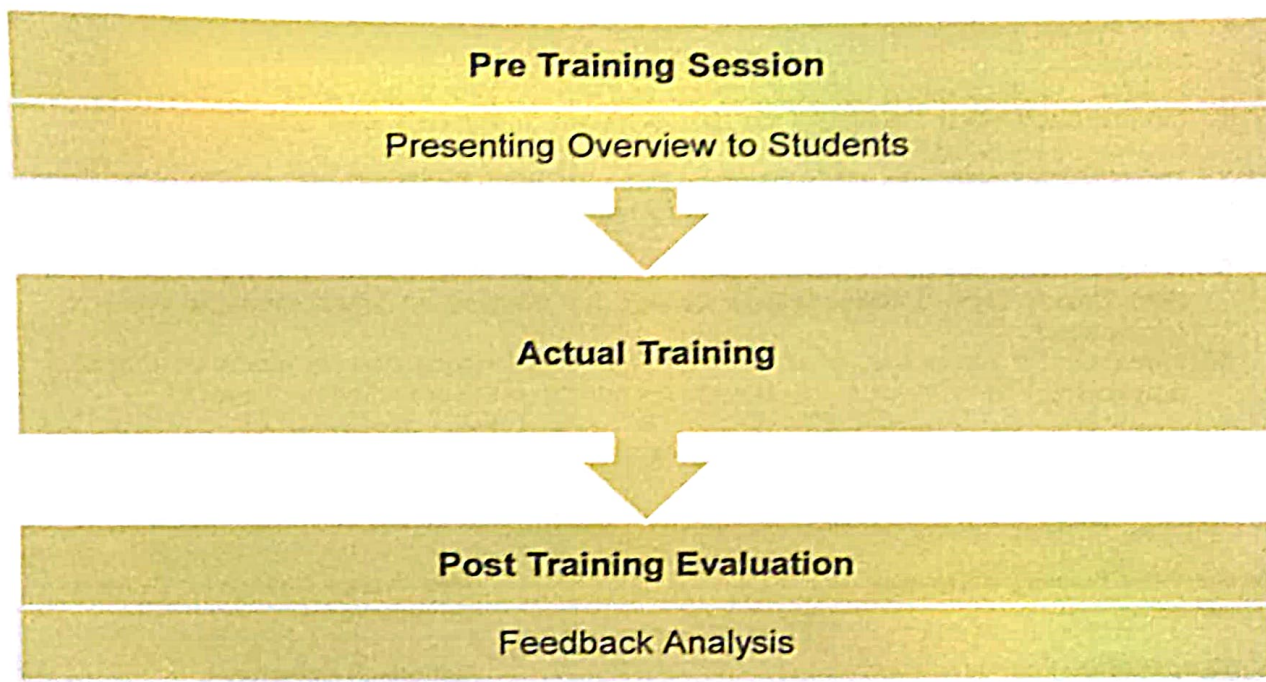

Infrastructure to be provided by the College: (If Required)

- Classroom suitable to accommodate students.
- Projector, White Board, Marker & Board Cleaner
