A placement drive was successfully conducted on February 16th, 2026 at 10:00 am by the Career Guidance and Placement Cell of Sree Ayyappa College for Women. The programme was conducted by Employability Bridge for the recruitment of Assembly line Operators for a well-known electronics brand in India. The drive witnessed active participation from all UG and PG final year students. The recruitment process included screening and evaluation as per industry requirements. At the end of the selection process, 65 students were selected marking the programme as a significant achievement for the institution.

Session on "Budgeting Strategies for Startups" was organized by the Institution's Innovation Council (IIC) on 16th Feb and delivered by Dr. V.Soniya, Innovation Ambassador. The objective of the program was to provide students with practical insights into financial planning, resource allocation, and cost management in entrepreneurial ventures. Through interactive discussions and hands-on exercises, participants explored how effective budgeting supports innovation, sustainability, and growth in startups. The session enhanced students' understanding of financial discipline and inspired them to creatively manage limited resources for maximum impact.

"The Institution's Innovation Council (IIC) successfully organised Lean Startup: Minimum Viable Business, a platform that nurtured entrepreneurial spirit and innovation. The objective of the initiative was to guide aspiring entrepreneurs in transforming ideas into viable business models, with a focus on building a Minimum Viable Product (MVP) and validating it in real-world markets. By fostering creativity, resilience, and problem-solving, the program empowered students and innovators to become job creators, contribute to sustainable economic growth, and advance the vision of a self-reliant India.
